Hi Kicksz,

Thank you for your patience and I hope you are well.

I apologize for my late reply, but we took the time to verify your Jordan 4 Retro Shimmer (W) , and to investigate further. we can understand your frustration and concern.

I'm Jiwan again, happy to follow up.

After a review with our internal team and a thorough verification, I have informed you that your Jordan 4 Retro Shimmer (W) did not pass the verification.

I'm sorry for the disappointment, I did my best in order to help you, but if the product is not within our terms and conditions, we cannot make exceptions.

I apologize for the inconvenience and we thank you for your understanding.

Please let us know if you have any other questions.

Thank you to be part of StockX.

Best

Jiwan
